

## Meet Rich...

Welcome to Locojo's – named after my children, Lola, Corey and Joseph.

As a chef, I know the importance of using only the freshest and best quality ingredients available, meaning we create delicious tasting pizza!

I source all the ingredients myself and use local suppliers as much as possible including locally-reared meat in the Cotswolds. I'm really passionate about great-tasting food so I only use 100% mozzarella on my pizza, and all the ingredients are prepared freshly in my kitchen. We take pride in stretching out our pizza dough every day.

I Look forward to creating a pizza for you soon!
